

October 8, 2018

Farewell to my dear patients.

Twenty-nine years in Lansing has gone by in a blink. We've been through period problems, relationships, pregnancies, deliveries, surgeries, menopause and everything in between. Thank you, thank you for allowing me to stand by as your consultant and your assistant as you have negotiated all the transitions in amazing style. Your vulnerability, strength, resilience and willingness to share with me has been overwhelming. What a privilege it has been.

I am retiring at the end of December. I know the doctors, nurse practitioners and nurse midwives at Alliance will take excellent care of you starting in January 2019. They have my respect and my trust.

I will miss every one of you!

Yours Truly,

A handwritten signature in black ink that reads "Maude Guerin".

Maude "Molly" Guerin, MD

P.S. Please join us for a Farewell Reception on December 5 from 4:30 -6:00 pm at Alliance's Main Campus located at 1560 Turf Lane in East Lansing. In lieu of a gift, a donation for the Sexual Assault Nurse Examiner (SANE) program would be greatly appreciated. The SANE nurses provide free, timely and compassionate care to pediatric as well as adult victims of sexual assault 24 hours a day in the Sparrow Emergency Department. They are always in need of items such as toiletries, undergarments, socks, gas cards, and gift cards. Thank you.
